Swim & Survive Online Learning Guide

Swim & Survive Stage 1-16: Water Safety Knowledge Components

For example:

1. Go to Stages 9-12 Online Water Safety tab

The screenshot shows the 'Swimming Lessons' page on the Royal Life Saving Western Australia website. The page features a search bar and a navigation menu. Below the navigation, there are five lesson cards. A red arrow points to the 'Stages 9-12 Online Water Safety Modules' card, which is highlighted. The other cards are 'Leinster Swim School' (price \$40), 'Swim & Survive eLearning Stages 1 to 4' (price FREE), 'Swim & Survive eLearning Stages 5 to 8' (price FREE), and 'Swim & Survive eLearning Stages 13 to 16' (price FREE). Each card has a 'Check Availability' button.

2. Select a Stage, a date and time to “complete the course” – please note that you do not have to attend any face-to-face component and can be completed anytime, this step is just for the enrolment process in our system correctly.

The screenshot shows the 'Stage 10 e-learning' page. The page features a large graphic for 'Swim and Survive 10 Junior Swim & Survive'. Below the graphic, there are two sections: 'Select option' and 'ONLINE'. The 'Select option' section has four buttons: 'Stage 9', 'Stage 10', 'Stage 11', and 'Stage 12'. The 'Stage 10' button is highlighted. The 'ONLINE' section shows the date 'Monday, November 18, 2024' and a time slot '09:00 AM - 10:00 AM' with '295 Available'. Below the time slot, there are two buttons: 'Add to Cart' and 'Buy it Now'.

3. Buy it now (\$0) and then checkout. You will need to complete all required shipping address details, and then add an attendee – if you do not complete the add an attendee step, you will receive an email requiring you to fill out enrolment details to create an account.
4. You will receive several emails containing different information. They will take a few minutes to all come through, however you will receive one in regards to Online Learning Confirmation that will provide you with a link to aXcelerate. Follow the prompts to create an account via the invitation.
5. Once in aXcelerate, you may need to check in “Current Courses” to find the course.
6. Follow the prompts to start the course.
